

Nearby Water District Vote Asked Nov. 25

A special election to form the West Basin Municipal Water District, which includes Lomita, will probably be held November 25, it was learned this week.

Petitions for the election, supported by 6,210 signatures throughout the district, were filed Friday with the county clerk. Ten days were to be allowed the registrar of voters for the purpose of validating signatures and determining if the petitions are sufficient.

It is expected that the board of supervisors will officially receive the petitions at their October 7 meeting.

An election cannot be held sooner than 40 days after the petitions are certified and received by the board.

In addition to Lomita, the new district includes, in main: Redondo Beach, Hermosa Beach, Manhattan Beach, Palos Verdes Estates, El Segundo, Lennox, Lawndale and Palos Verdes Hills.

Petitions for the district, backed by 235 signers, were collected here last week by local campaign chairman, Harold Hall.

Hundreds Pay Tribute To Judge Carrell

(Continued from page 1-A)

dition on Nigger Slough. Bowron, now Mayor of Los Angeles, is one of the many public officials of the State mourning his passing.

About six months after graduation, Carrell started to practice law in association with the late Judge Joseph P. Sproul. Their offices were in the old Washington Building at 3rd and Spring streets, in the basement of which Fred Harlow had a cafe. After two or three years this association in the legal profession was interrupted by the war, and the young lawyer went back to the practice of law again, associated in Los Angeles with Phil Dodson.

A few months later Carrell went back to the practice of law again, associated in Los Angeles with Phil Dodson.

He continued his law practice until 1929 when he was appointed Justice of the Peace for Gardena Township, by R. F. McClellan, then chairman of the Board of Supervisors. In that office he succeeded J. S. Crandall, Justice of the Peace here for a number of years, who died in July, 1929.

A few months later Judge Carrell was assigned to the Municipal Court where he sat for four years, one year at San Pedro. He has also served a number of times as Judge Pro Tem in the Superior Court.

In 1934 the townships of Gardena, Lomita, Redondo, La Rambla and Inglewood were combined into the enlarged Inglewood Township, and Judge Carrell was elected as the first Justice of the Township Court. There was at that time only one judge for the Township. Judge Carrell was re-elected to that office the year of 1938. With his election to the enlarged township court in 1934, he gave up his general law practice.

When, on July 1, a re-division of the Inglewood Township was accomplished, Justice Carrell became Justice of the Peace for the Gardena Township, embracing Torrance, Gardena, Redondo Beach, Hermosa Beach, Lomita, Palos Verdes, and other communities.

One of the most unusual cases of his career, said to have been the only case in this county of such a character, involved a slander suit brought by one Gardena woman against another. The complainant, represented by Judge Carrell, sued for \$20,000. The

William D. Bernard, 2219 Pacific Coast highway, residence at 131 Via La Circula, \$9,000.

Samuel Skoss, 1327 Cabrillo ave., remodeling of cafe, \$1,600.

Supervisor Raymond V. Darby, chairman of the board, said that a permanent appointment will be made within the next 30 days.

Several other attorneys of the township, which extends approximately from Redondo Beach blvd. south, are seeking the appointment, it was said. Among them are William McFaden and Collamer A. Bridges, Redondo Beach; H. R. Thomas, Palos Verdes; C. A. Walton, Manhattan Beach, and T. B. McNary, deputy district attorney who lives in the Seaside Ranchos area of Torrance; Clifford Hix, Rolling Hills and Maynard B. Henry, city attorney of Redondo Beach.

The office is an elective one, and Judge Carrell's four-year term would have run through 1948.

Kiwanians Hear Cancer Expert

Speaking on "How Great A Danger Is Cancer," Dr. Grant H. Beckstrand, surgeon at the Long Beach Cancer hospital, addressed the members of the Torrance Kiwanis club at their meeting Monday evening.

Dr. Beckstrand illustrated his talk with colored slides of cancer tissue before and after treatment. He emphasized the fact that "early diagnosis is of utmost importance" in all cases of the disease.

Parke Montague, Kiwanis club chairman, introduced the speaker. Dr. Beckstrand's discussion was followed by a question session.
